

## How to assign yourself curriculum:

Please follow the instructions below to assign course curriculum codes for your account.

1. Print this page for reference.
2. Click the "Home" icon from the current screen in Oracle iLearning (from top right)
3. Click on the Admin icon (from top right of Home)
4. Click on the Users tab (from left menu)
5. Select Manage Users (from center menu)
6. Click the Edit pencil icon beside your name (from right)
7. Scroll down to Configurable Attributes
8. Select the curriculum code from the drop-down lists for the appropriate Year field(s) for the curriculum that you wish to use.
9. Click the "Update" button.
10. Click the "Home" link (from top right)
11. You should now see a list of curriculum offerings that were selected in step 6.
12. Click the "Play" button to access the resources for each offering.

Course	Language	Teacher Code*	Student Code	Field
<b>Database Design and Database Programming with SQL</b>	English	2013-15 Curriculum SQT13	2013-15 Curriculum SQS13	Year or Year L
		2016 Curriculum DBT	2016 Curriculum DBS	Year
<b>Database Design and Database Programming with SQL</b>	Chinese	2013-15 Curriculum SQT13CN	2013-15 Curriculum SQS13CN	Year B or Year L
		2016 Curriculum DBT_cn	2016 Curriculum DBS_cn	Year B
<b>Database Programming with PL/SQL</b>	English	2013-15 Curriculum PLT13	2013-15 Curriculum PLS13	Year C or Year M
		2016 Curriculum PLSQLT	2016 Curriculum PLSQLS	Year C
<b>Java Fundamentals</b>	English	2013-15 Curriculum	2013-15 Curriculum	

		JFT13	JFS13	Year D or Year N
		2016 Curriculum JFT	2016 Curriculum JFS	Year D
<b>Java Fundamentals</b>	Chinese	2013-15 Curriculum JFT13CN	2013-15 Curriculum JFS13CN	Year E or Year N
		2016 Curriculum JFT_cn	2016 Curriculum JFS_cn	Year E
